To The Secretary to the Government of Madras,

Sir,

The District Medical Officer, South Kanara, requests sanction to buy a bicycle for the use of the Lady Goschen Hospital, Mangalore, in the circumstances explained by him in his letters Ref.No.1088-D/34 dated 1st August 1934 and Ref.No.1088-1-D/34 dated 11th August 1934 copies enclosed.

The District Medical Officer states that the cost of the bicycle can be met from the current year's budget allotment of the hospital. It is therefore requested that

that Government will be pleased to accord sanction to buy a bicycle for the use of the Lady Goschen Hospital, Mangalore, at a very early date.

I have the honour to be,

Sir,

Your most obedient servant,

Personal Assistant

for Surgeon-General with the Government of

Madras.

Copy of letter of the District Medical Officer, South Kanara, Mangalore, to the Personal Assistant to the Surgeon-General with the Government of Madras, Ref.No.1088-D/34 dated 1st August 1934.

Great inconvenience is now being felt for want of a cycle for the use of the Lady Goschen Hospital, Mangalore. Even the Telephone connection was disconnected from the year 1931. At night in cases of emergency the Lady Doctor has to send somebody to the Headquarters Hospital, in order to phone to me. As there is only one peon for the Lady Goschen Hospital, who has to take the Tappal, bills, and chalans, etc., to the Treasury, it is very difficult to get the work done promptly. Therefore, I request, that sanction may kindly be accorded for the purchase of a cycle at a cost of not more than Rs. 100/-. The expenditure will be met from the current year's allotment.

Copy of letter No. Ref. 1088-1-D/34 dated 11-8-1934 from the District Medical Officer, South Kanara, Mangalore, to the Personal Assistant to the Surgeon-General with the Government of Madras.

Reference:-- Your letter Ref. No. 807-1-A/34 dated 7th August 1934 - to state the distance between the Lady Goschen Hospital and the Headquarters Hospital.

I have the honour to state that the distance from the Lady Goschen Hospital to the Headquarters Hospital and the office of the District Medical Officer is half a mile. But the Assistant District Medical Officer's house is about one and a half miles away from the Hospital. When there are abnormal labour cases, the assistance of Dr. M. Shiva Rao, the Honorary Physician in charge of the labour section has to be called for and his house is far away about three miles from the hospital and there is no telephone connection to his house. Hence I request that sanction may kindly be accorded to purchase a cycle.

Bicycles. S. Kanara Dt. Mangalore - Lady Goschen Hospital - Sanction for the purchase.

C. No. 33847 From the Dy. No. 807-2 Accounts/348 21-8-34

A cycle is asked for for the Lady Goschen Hospital, Mangalore mainly for use in times of emergency. It is not stated whether such emergent cases are of frequent occurrence. Last year a proposal to purchase a cycle for the Dist. office, Ramnad was not sanctd. because the hospital is the smallest of district headqrs. hospitals and there was nothing to show why the hospital cannot get on without a cycle as heretofore. ~~Usually cycles are allowed only for Dt. head qrs. hospitals.~~

G.O. 25 (F) 13.10.33.

For orders whether the present proposal may be negatived. If so, the draft order below is for approval. The Dt. Headquarters Hospital is only half a mile from the Lady Goschen Hospl. & it should be easy to get addl. medl. assistance from the Headquarters hospital in urgent cases. There seems to no great need for the purchase of a cycle.

In a maternity

But in abnormal labour cases in stations the Physician who is living at a distance of 3 miles from the hospital are required.
